1	<p>Location: Maryland</p> <p>Story: This guy's house gets robbed and several things taken. The robber returns for more stuff and the home owner goes Ninja on the robber with a sword and kills him.</p> <p>Comment: How stupid can a person be going back to the same place they robbed earlier that day? The neighbors said the home owner wasn't a real talkative person but I bet they think he's a real cut up now.</p>
2	<p>Location: United Kingdom</p> <p>Story: A man was caught on tape licking a chicken in a grocery store, what the heck?</p> <p>Comment: It's obvious this poor bloke isn't worried about his health, but licking a chicken, come on! I wonder if there was a love, hate thing and earlier the video showed him with his hand around the chicken's neck.</p>
3	<p>Location: Ohio</p> <p>Story: This guy gets in a bad car wreck when he hits a house and he walks away to be killed by a truck...</p> <p>Comment: You know for some reason I'm reminded of the two times I had been married. I survived one and the second about killed me.</p>
4	<p>Location: Florida</p> <p>Story: Police catch a motorcycle rider wearing nothing at all</p> <p>Comment: It's obvious this guy was under the influence of something; This guy was naked and not wearing any 'protection'. I bet the way the cops found him was from all of the 'track marks' from 'crack'.</p>
5	<p>Location: Fort Smith, Arkansas</p> <p>Story: Two guys walk into a Wal-Mart and play an Adult X rated movie on the big and bigger screen TV's, a total of 6.</p> <p>Comment: It's 'hard' not to laugh at this one. I wonder is sales were 'up' after the prank or if they got 'harder'. Actual movies sold by Wal-Mart include Die 'Hard', 'Hard' to Kill, Walk 'Hard' and many others...</p>
